

For further information on the formalities involved, contact:

TEAM OUTGOING

Abt. 3.3 / Akademisches Auslandsamt

Hauptcampus Griffenberg
Gebäude O, Ebene 06

www.internationales.uni-wuppertal.de/outgoing

E-mail: teamoutgoing@uni-wuppertal.de

Advantages:

- Studying abroad will help you to expand your horizon and broaden your perspective; you will discover a new culture, enjoy student life, make new friends, and much more...
- You will be immersed in the language and a different way of life.
- You will have the opportunity to enhance your academic skills.
- You will not have to pay any tuition fees, which can otherwise cost several thousand euros.
- The courses you successfully complete abroad will be converted into equivalent credit points when you return.

For general information on our partner universities in Ireland, contact:

Studying Abroad at our partner universities in Ireland

Fakultät für Geistes- und
Kulturwissenschaften
Anglistik/Amerikanistik

BERGISCHE
UNIVERSITÄT
WUPPERTAL

Our partner universities in Ireland:

- National University of Ireland – Maynooth (Aug - May)
- University of Limerick – Ireland (Aug - May)
- Technological University Dublin – Ireland (Aug - May)

Information on our partner universities, listed above, such as direct links to their websites, can be found on our departmental website. Here, you will also find a variety of reports written by students who have spent one to two semesters abroad.

Please note:

- The application process will start almost a year before you are due to leave on your trip.
- With the exception of one spot at Maynooth, all of our programmes are for **B.A./B.Ed.** students only.

Application procedure:

In **October/November**, the English department will host an information session, the details of which will be announced on our notice boards and online. At this meeting, students who have just returned from their stays abroad will talk about their experiences, living costs, etc.

Your application must include the following:

- your CV in English
- your most recent transcript of records (“Studilöwe-Studienkontoauszug”)
- your most recent certificate of study (“Studienbescheinigung”)
- a letter in English in which you explain your motivation and attest your qualifications and suitability

Please apply via the web platform „Mobility Online“ for a place at one of our partner universities in Ireland. Here you will be able to communicate up to three of your preferred destinations and upload all of the required documents listed above.

https://www.service4mobility.com/europe/BewerbungServlet?identifizier=WUPPERT01&kz_bew_pers=S&kz_bew_art=OUT&aust_prog=SMS&sprache=de

The deadline for applications is January 15th.

Additionally, please submit your application via email to Eva Kerski, Marie O'Neill and Dennis Wegner. Applicants will be interviewed by a committee who will then nominate the chosen candidates.

After you have been selected:

You will enrol at the partner university for which you have been chosen.

You will apply for accommodation abroad and choose the classes you wish to attend at our partner university.

Please note:

- If you are selected for our Erasmus exchange programme, it is obligatory that you then promptly draw up a **learning agreement** that outlines the classes/modules you intend to take at the partner university.
- When applying, please observe the leaflet on the faculty's privacy practices, which you will find on our website.

Ways of funding your study trip to Ireland:

Erasmus is a scholarship programme that is funded by the European Union to encourage and support students' mobility within Europe.

Candidates chosen for a scholarship programme are awarded a small monthly grant to help them cover the cost of their trip.

Please note:

Even if you are not entitled to Inlands-BAföG, you may still be entitled to Auslands-BAföG. This is due to the fact that in connection with studying abroad, which is always more expensive than studying at home, a higher basic allowance is taken into account when you apply for the latter. Therefore, in either case, we strongly advise you to apply for Auslands-BAföG.

For further information on Auslands-BAföG, contact:

www.internationales.uni-wuppertal.de/outgoing/auslandsstudium/finanzierung/auslands-bafog
